Introduction

Inland Empire Shorthorns are proving themselves in National circles, the 1950 and 1953 Grand Champion Bulls at the Chicago International were bred in the Inland Empire, the 1953 Reserve Champion Female and the Get of Sire of the same show were produced by a bull bred in the Inland Empire. You will find Inland Empire cattle at the top wherever they are displayed.

The annual spring sale of the Inland Empire Short-horn Breeders Association offers one of the greatest buying opportunities of Shorthorn cattle. Show records prove you are buying the best, sale records prove you pay no premium to own the best.

The consignments for this sale consist of several top herd bull prospects, a group of good strong range bulls and nine heifers that will be a credit to your herd. We want you to be with us show day, attend the banquet at the Desert Hotel on the evening of March 2d and avail yourself of the buying opportunities at the ring on March 3d.

John Siverling, Sales Manager.
